## Overview Map of Sampling Locations

In addition to the requirements of HFF Permit #: 040136, Revision #: 2.0.3.0, Part 3(c) and Part 3(d), HFF has implemented monthly H<sub>2</sub>S sampling at various locations throughout the facility since December, 2014.

HFF will continue to report the results of the monthly H<sub>2</sub>S sampling to the Maricopa County Department of Air Quality that details the results of each compliance demonstration.

At each of the four locations represented above, HFF personnel will conduct H<sub>2</sub>S sampling for an averaging period of 30 minutes or more as required by Permit #: 040136, Revision #: 2.0.3.0, Part 2(d).

Additionally, HFF personnel will continue to conduct ammonia sampling at the locations listed above, as well as various locations throughout the facility.
